## Titus Chapter 2 Student

**Contents:** Pastoral work of a true minister.

Characters: CHRIST, Paul, Titus.

**Conclusion:** The ministers of **CHRIST** should perform their duties with faithfulness, being careful to teach only such truths that are emphasized by **GOD**'s **WORD**, and explaining to each person, according to their age, and condition in life, those particular portions of the truth necessary for their particular spiritual needs. All understandings and considerations of the Gospel should be linked to those foundational truths, which the grace of **GOD** sanctified through the birth, death and resurrection of our **LORD JESUS CHRIST**. It is through **HIM** and on the blessed hope of **HIS** return which we believe.

**Key Word:** Sound doctrine, 1, 15.

**Strong Verses:** 7, 11-14.
